### 15. Multidisciplinary / interdisciplinary

The social work curriculum is an interdisciplinary and multidisciplinary course, where besides the social work stream, the subject like language, sociology, psychology, economics has equal importance providing the students a comprehensive perspective towards the society. Thus the student graduating and post graduating from the social work leaves with a holistic perspective towards the society. Moreover, the mathematical proficiency through the subject of statistic is also acquired by the students in the social work curriculum. The curriculum is so designed that the students not only get the theoretical knowledge but also the practical knowledge. In addition to this, the special efforts are taken by the college to provide a multidisciplinary and interdisciplinary knowledge to the students. The college has initiated new interdisciplinary certificate courses in addition to the existing inter/multidisciplinary research and academics. Our college is affiliated with university and university restructured Academic programmes to include Multidisciplinary /Interdisciplinary courses as electives. The college has the first of its kind of Maharashtra State Eligibility Test Centre for Guidance, Counselling and Coaching that provides guidance and counselling to the students, stakeholders interested in appearing for the SET exam. This provides an opportunity for the students appearing for the SET and NET exam for the subject of social work to get excellent coaching and guidance from the experts on how to prepare and appear for the SET exam. The college has signed the MoU with the Avanta Foundation, Chahardi and Sant Savta Mali Yuvak Sangh, Lasur for providing knowledge of Nutrition Diet for Lactating Women and Youth Development activities. The college as the part of the social work curriculum is involved in to different social fields and is thus connected to various significant agencies like Department of Social Justice and Empowerment, Department of Women and Child Welfare, National Commission for Women, State Commission for Women, District Legal Service Authority. The students get to have the first-hand knowledge of these and such other significant organisation that provides them a wide insight regarding the different problem of the community. Consequently, such wide exposure is helpful in developing a wider and multidisciplinary perspective to the students. The students are encouraged to conduct their research on various welfare schemes offered by the department of social welfare so that the different aspects of the society are brought in to light through the research

and field work. The college has Community Mobilization and Impact Assessment Cell that works in the different areas of community development. Through the cell the students get an opportunity to work in different projects of community development. The college is always at its heels to address various social issues and problems through the research in different fields. The students and the faculties were provided with the knowledge about the nuances of the New Education Policy, 2020 through the orientation program.

#### **16.Academic bank of credits (ABC):**

The college follows the rules and norms prescribe by Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon and Higher Education Department of Maharashtra. from time to time as far as the curriculum designing is concerned, the faculties participate in the curriculum designing meetings as per the respective subjects.

#### **17.Skill development:**

The college conducting the various courses like Counselling course provides an opportunity among the student to develop various fundamental ethics among the students like empathy, compassion, love, peace, etc among the students helping them to be a good citizen of country. Besides, the birth and death anniversary of the national personalities in the college provides an opportunity to inculcate among the student the values and discipline practice by them. The college follows the best practice of spreading the awareness regarding the importance and values of constitution by making students and faculties visit the Grampanchayats, Anganwadi (ICDS) centre and ZP schools of the adjacent villages and gifting them the frame of fundamental rights and duties so as to create the awareness regarding the constitution of India among the grassroots level. Besides, the Constitution Day is celebrated with great patriotic fervour to inculcate the values of constitution among the students. The Institution is already conducting the skill development courses as designed by affiliating university from Semester 1 to 6 at undergraduate and semester 2nd and 4th at postgraduate programs respectively. Also, under the employability of student in skill courses, the college has already been running courses such as Communication Skills in English, Counselling, NGO's Management, and Diploma in Public administration etc. The institutional preparedness reflects clearly through field work activities respectively.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

The college offers the courses in all the three prominent languages

i.e. English, Hindi and Marathi. This is helpful in the proper understanding and interpretation of the course material for the students. Besides, the faculties take special care to teach the students in their respective mother tongue, which is mostly Marathi for the convenience of the student. The college offers the medium of the instruction for the degree courses viz. BSW and MSW in regional language Marathi. Besides the efforts are taken by the college to provide study material, mostly available in English, in regional language by finding the material in the regional language. The college takes all the possible efforts to preserve and promote the Indian arts, culture and tradition. The college organized the exposure visits, study tour, residential camps in tribal and rural areas, which is the centre of Indian culture and tradition. Through these initiatives the students and the faculties get an opportunity to come in close contact with the Indian tradition and culture. Where on one hand the NSS Camp helps the students to come in close association with the culture and tradition of the country. The college organizes the cultural programs on various occasions like annual gatherings, Independence Day, Republic Day etc. Encouraging the students to participate in it providing them an opportunity to gain deep knowledge about the Indian traditions. Any type of program in the college starts with the homage paid to the national personalities like Chhatrapati Shivaji Maharaj, Mahatma Jyotiba Phule, Savitribai Phule, Dr. Babasaheb Ambedkar etc. recitation of the preamble of the constitution of India denoting the Indian tradition of remembering the elders before the onset of the program. The students are encouraged to wear the traditional dresses on account of any occasion. The college organises various competitions like traditional dress fashion show slogan competition, folk dance competition etc.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The college through the means of teaching, learning, research and extension activities makes every possible attempt to turn the curriculum into an output based educational practice. within the teaching, learning and research, the faculties try to inculcate the practical knowledge and information to the students by associating the curriculum with the real time experience. For this various step like providing social work practicum, block placement, internship to the students in the various organisation where the students would get the first-hand experience and knowledge is done. The community base organization, where the students are provided the placement mould student in such a way that they are able to learn all the practical knowledge and information that can be used by the students in their professional life. Good Practice Pertaining to OBE The

college takes initiative to provide students with the practical knowledge of the real time situation of the society. For this the college organises program in the community through the means of social work practicum. During this program and the field work, the students encounter the various problem that they try to resolve with the help of different principals of social work learnt by them. This is a kind of practical test of their knowledge that eventually helps them to bring the social work principle in to practice. Moreover, the faculties through their knowledge and experience provide them an insight regarding the possible problems and the methods and practices of finding the solution to these problems. This practice provides the students an opportunity to imbibe within them various skills that have helped then to excel in their respective fields. It is the outcome of these practices that the alumni of the college are placed in the national and international organisation. There are various success stories of the different Alumni to relate depicting the evidence of success of these practices. Most of the MSW passed students are inclined to start their own NGO for the benefit of the society. It is the merit of the social work curriculum that produces the employer since the inception of the college. One of the prestigious alumni of the college Mr.Manohar Dhivare has started his NGO on the Lactating Women for diet of nutrition. The institution feels proud that the knowledge of social work has provided interdisciplinary benefit to the student who could work in the field of Women and Child Development. With the perspective of social work.

**20.Distance education/online education:**

The faculties of the college provide study material to the students over the digital platform like Google Classroom, which can be accessed by the students at any time according to their convenience. Besides, the special classes, doubt sessions, webinars etc. are conducted for the students. The faculties provide the study material, important link of videos and notes over the Whatsapp group of the student. This institution is ready to prepare online courses and teaching learning process through different online modes likewise app, zoom, Whatsapp etc. Teachers and students also motivated to take admission in MOOC Courses like SWAYAM, NPTEL, etc. Our institute also plan to start courses through distance mode. Teachers use Google Classroom, Google Meet etc. during teaching learning process regularly.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

In the beginning of academic year, the academic calendar gets prepared by IQAC and communicated to notice board, and on website of college. The IQAC advised to the Principal to constitute academic planning, time table and various monitoring committees. Constituted time table committee prepare master plan of time table having allotment of theory period, field work, research work, and co-curricular activities and displayed on the notice board well in advance. The teachers prepared details teaching plan.

For effective curriculum Delivery College principal regularly monitories teacher's lesson and evaluate teaching diary weekly.

Most of our faculty member is aware to use and apply advance pedagogical methods and tools in the classrooms.

The field work activities smoothly run under the regular supervision of the field work supervisors.

Program outcomes, program specific outcomes and course outcome were well lit true feedback from different stakeholders. On the basis of their feedback decided for more effective curriculum delivery system. Teachers prepared their course contents by referring library

books, journals, e-journals and other sources of information.

At the end of each semester after completion of syllabus two internal examinations were conducted and result of said examination was displayed on the notice board.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Every year in the month of April IQAC prepared the Academic calendar after long discussion with faculty members, management and by referring university calendar. Utmost care is taken by the IQAC to ensure holistic development of students. All curricular and co-curricular activities are mentioned in the academic calendar. Academic calendar includes schedule of IQAC meetings, National events/Days celebration, internal examinations, university examination, Teaching days, admission process, and vacation etc. After finalization of academic calendar, it gets displayed on college website, notice board and college website. The IQAC advised to college strictly to adhere academic calendar for admission process, teaching plan, internal examination, university examination, national events days' celebration, vacations etc. The internal examination schedule is published well in advance and also intimated to the students through notice board. At the commencement of every academic year, the students are made aware of the continuous internal evaluation mechanism.

The Continuous Internal Evaluation (CIE) system is followed in the college for encouraging among students effortless and gradual learning. The structured mechanism for internal assessment of students monitors students' attendance, participation in class discussions, academic performance, etc.

At the end of each semester result of said examination was displayed on the notice board.

**1.3 - Curriculum Enrichment**

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

**Professional ethics of Social Work reflected through contents of the courses.**

- Social work respects the inherent dignity and the worth of the person.
- Social worker recognized the central importance of human relationship.
- Social worker behaviour in a trust worthy manner.
- 06 courses at UG & PG level in the approved curricula specifically dealing with professional ethics and ethical issues in the respective domain areas.

**Gender**

Our college is run entirely by women management and promotes to organize various programs related to the empowerment of women.

- 18 courses in the approved curricula dealing with gender related issues.
- Yuvati Sabha and Swayam-Siddha for girl students organized in collaboration with KBCNMU

#### Human Values

- Human Rights and social justice Course are also included in the curriculum at UG and PG levels.
- Through various methods of social work trainee, students learn human values.

#### Environment and Sustainability

- College has an eco-friendly environment.
- Course in Environment studies in the approved curricula specifically dealing with environmental issues and environment management including a core course at UG level.

#### The college promote following activities

- Tree Plantation and Swachh Bharat Abhiyaan
- Fuel vehicle free day.
- Restricting use of Plastic
- Collection and Disposal of E-Waste
- Organized Rally, Vruksh-dindi

### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

**Students from diverse socio-cultural, economical, and educational backgrounds are admitted to the college. Therefore, taking into**

account the varied needs of the students it becomes necessary to identify slow learners and advanced learners at the entry-level. Slow and advanced learners are identified through students' subject tests, classroom interactions, and performances in the previous examination. It helps to identify the learning levels of students and to segregate slow and advanced learners. Slow learners are assisted in fieldwork and study by their peers. At the beginning of the teaching session, every teacher is allocated a group of about 25 mentees. Slow students are given special assignments in fieldwork and encouraged to participate in sports and cultural activities such according to their interests and abilities. It helps boost their confidence and encourage learning. The teachers personally monitor the progress of slow learners and address their academic and personal issues. The students enlisted under the mentor successfully passed the university examinations. The skill requirement gap of the students is being identified and activities are being arranged to provide a clear understanding of the basic concept of the UG and PG students. Through experimental participatory learning and problem solving method.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Every faculty member in the college is aware of the background and limitations of students belonging from rural and tribal areas. Therefore, in addition to lecture methods, teachers have adopted

various other teaching methods so that the students' ideology. Clarity and understanding will increase.

**Teaching Methods:** Teachers are encouraged to use a variety of innovative teaching methods. IQAC regularly encourages teachers to stay connected to innovative teaching methods. All teachers regularly and creatively teach case studies, group discussions, posters, role play, PowerPoint presentations, simulation games, skill lab, etc.

**Experiential learning:** Students are given the opportunity of experiential learning. The practical application of various methods and values of professional social work education is experienced through field visits, agency orientation visits, concurrent field work, study tours, rural study camps, research surveys, and project work.

Rapport building, and report writing through practical experiences for their personal and professional growth. Career Oriented Courses help to develop practical skills among students.

**Participatory learning:** Practical experience and participatory learning are closely related to the teaching-learning process as they complement each other in the personal and professional development process of students.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Information and Communication Technology (ICT) consists of a variety of tools and systems that can be used by competent and creative teachers to improve the learning experience. The use of ICT increases motivation, enthusiasm, and confidence in students. This further allows the teacher to demonstrate, explore and explain the teaching method so that students can learn more effectively. Teachers use ICT devices like LCD projectors, mobiles, laptops, computers and

Television. The college encourages teachers to complete online courses on technology and various courses in terms of updating computer-related knowledge. The seminar hall is equipped for the use of LCD projectors. The college has a computer lab that students can access. The library has computer facilities with internet for the students so that they can easily access the e-learning resources. The college is subscribed. Inflibnet and N-List, Shodhganga, and affiliate e-resources are provided free of charge to teachers and students. Everyone is given a user ID and password to use the e-materials available through it. The college conducts seminars, workshops, and guest lectures on the new developments in the core subjects for effective teaching and learning by the faculty members and students each semester.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment is based on the presence of internal tests home assignments, presentations, viva-voce, class seminars, etc. The

college has a system for displaying the list of low attendance of students in classes, fieldwork and co-curricular, and additional courses. Students with low attendance in curricular activities are required to report to the Disciplinary Committee with their written application.

At the weekly staff meeting, discussions are also held on pedagogical teaching, in which student attendance, performance, and success are reviewed and appropriate decisions are made. The college has a fieldwork and research manual which clearly describes the evaluation and evaluation criteria. Individual and group conferences are held once a week or more, if required, in each faculty, and feedback and guidance are provided to students about their performance, in theory, fieldwork, and research work. It helps to improve the performance of students who are lagging behind in their studies. Fieldwork is evaluated by a panel of faculty members to maintain fairness and transparency in the evaluation process. The examination schedule for each semester end examination display on the notice board as well as on WhatsApp group. Each semester end Internal examination was held through Online as well as offline mode.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

All grievances related to the internal assessment are primarily redressed by the respective Committee. In some unsatisfied cases, they are forwarded to the examination committee (if required). In case of any university-related grievance, applications in prescribed forms are collected and forwarded to the concerned authorities. The grievances of the students related to examinations such as online form submission query related to hall tickets viz. correction in name/ subject/ subject code/program/ pattern, wrong entry of marks and absentee, etc. are addressed at college and university level in time-bound period.

Internal assessment of fieldwork & research dissertation is a continuous evaluation process. Any grievances regarding fieldwork &

research dissertation are immediately resolved by the respective teacher. Grievances related to oral examination on research dissertation and fieldwork are resolved at the Grievance committee level. For students whose marks are not entered or incorrectly entered due to oversight in the University mark list, the college sends a photocopy of the mark list as prepared by the teacher with an application to rectify the error at the university level.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students. The faculty, students, and other stakeholders are intimated about the program outcomes, program-specific outcomes, and course outcomes in the following ways:

PO's, and PSOs are displayed in tabular form on acrylic foam sheet. COs has been displayed for the teachers and the students.

Teachers enumerate and explain the course outcomes in the respective classes at the undergraduate level and post-graduate levels.

The teachers facilitate discussions and answer queries if any on the understanding of the Course outcomes.

During introductory lectures at the start of the semester teachers provide information about the POs, PSOs, COs, and methods of evaluation as well as the performance expectations.

The importance of learning outcomes has been communicated to the teachers through IQAC.

According to the expectations of the stakeholders, the teachers of the institute are actively involved in syllabus framing workshops, where they contribute to asserting POs, COs, and PSOs in the

curriculum.

The result is sought to be shared with all concerns through the parents-teachers meeting, alumni meeting, and fieldwork agency supervisor meetings.

College encourage participating teachers for refresher/orientation courses, conferences, workshop, seminar, and faculty development program and enables them to achieve the results of each course and program.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

**Formative Assessment:** As a part of the continuous evaluation the formative assessment of students' Performance is conducted. This includes; Unit Tests, Seminars, Projects, Group Discussions, weekly Individual conferences, fourth-nightly group conferences, fieldwork record evaluations, Group conferences, etc.

**Summative Assessment:** The performance of the students in university examinations is the source to judge their summative assessments. This includes assessment in theory examination and fieldwork & Research dissertation examination. Especially for social work discipline viva-voce on fieldwork task and Research dissertation are organized by university in respective college by appointing external examiner. The college analyses course-wise results and the faculties are instructed to initiate measures to improve students' performance in the examination accordingly. These are the other ways of measuring the outcomes whereas many other aspects of outcomes are evaluated indirectly through their performance such as active involvement in curricular, co-curricular, and extra-curricular activities such as sports, culture, debate, elocution, N.S.S. and students welfare, etc. The teachers also assess the development of

students and their performance through observation, classroom interactions, question-answer sessions, personal counseling, etc. The participation of the students in various activities, study tours, village camp, orientation visits, block placement, etc. Fieldwork placement also helps in finding out their growth

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

College management headed by female members. So, they are very conscious about women safety and security. The college organized various programmes according to mission and vision policy of the college, under the expert guidance of the president, management member, principal, all teaching and non-teaching staff run various curricular, co-curricular and extra-curricular activities very smoothly. Teachers as well as students represented on various committees and activities and focus on their overall development. The distinctiveness of the institution lies in the "Women upliftment and socio-economic development of first-generation learners through quality education". A majority of the college students are first-generation learners from remote, rural areas of the region. The college organizes women's empowerment programs for making them confident enough to struggle in the battle of life. Programme on Gender equality, skill development, environmental protection

activities and human values, etc. above activities has been carried out during each academic year.
